HEADTEACHER'S NEWSLETTER

Dear Parents,

I hope you enjoyed the half term with your family and were able to engage in lots of fun activities.

As usual, we have many exciting learning opportunities happening this half term. Please see information below regarding the curriculum and Lenten activities for this half term.

LITURGICAL SEASON OF LENT

School Values: Make a Difference Be Passionate about Learning Be Kind Be Respectful

As our Lenten journey begins, we will make time to renew our trust in God's love and mercy. Our children will make their Lenten promise and carry out acts of kindness for their Lenten buddy.

Please click onto our Lenten planner to view all the activities taking place this term: Lenten Planner

Our Lenten Masses for KS1 and KS2 will take place on Thursday 29 February at 9:05am and all parents are very welcome to attend.

A Prayer for Lent

Please Lord, guide my mind with your truth. Strengthen my life by the humble, obedient example of Jesus. He fulfilled your will by becoming human and suffering with us. He died so that I would no longer be separated from you. Help me to feel how close you are and to live in union with you.

Amen

LUNAR NEW YEAR

This week the children are enjoying learning about Lunar New Year. Assemblies and workshops have taken place where the children have learnt more about how the Lunar New Year is celebrated. Mrs Dong spoke to us about the Year of the Dragon and the different animals who took part in The Great Race. She told us about the many traditions for Lunar New Year's Eve, which include deep cleaning houses before putting up lots of decorations and eating traditional meals. We found out about the Lion Dance and Lantern Festival too. The children have really enjoyed learning about this festival and it has linked with our Other Faiths topic of Buddhism, which Year 1 and Year 4 are studying.

WHAT YOUR CHILD WILL BE STUDYING THIS TERM

School Values: Be Passionate about Learning

This half term the children will be gaining lots of new knowledge and skills. Please follow the year group page to find out the topics your children will be learning about. If you would like to know more about a subject, please follow the curriculum link below to see how the curriculum allows children to know and remember more.

CURRICULUM KNOWLEDGE ORGANISERS

School Values: Be Passionate about Learning

Know More Remember More

In order to keep you updated on your child's learning in school, teachers have posted knowledge organisers for foundation subjects on their Google Classroom Pages. These organisers are used regularly by the children in their classrooms. They contain the essential knowledge and key vocabulary for the topics they will be studying this half term.

Pupils will be confident in using technology to enhance their learning experience across the curriculum. The intent of our Computing curriculum is to: Empower future innovators and digital citizens. Develop critical thinking and problem-solving skills. Foster digital wellbeing and awareness. Online Safety At St Vincent's, we work with parents to create a school community which values the use of new technologies. Through enhancing digital learning, we encourage the responsible use of technology, and follow agreed policies to ensure pupil safety. In an ever-changing technological landscape, it is crucial that we work together to help children deal with a range of situations when using the internet and other digital technology. Please find a link below to our website which has a range of websites and resources for parents in supporting the education of online safety at St Vincent's. https://www.stvincents.trafford.sch.uk/page/on-line-safety/22408 Have you heard of computational thinking? WORLD BOOK DAY 2024

School Values: Be Passionate about Learning

World Book Day will be taking place on Thursday 7 March 2024.

This annual celebration of authors, illustrators, books and the pleasure of reading is one of the highlights of our year at school. World Book Day provides a fantastic opportunity to focus on reading for pleasure, supporting children's autonomy in book choice, and embedding a joy of reading that brings a wide range of benefits. World Book Day 2024 will celebrate that children are more likely to enjoy reading when their choices are championed and we make reading fun. 'Read Your Way' encourages everyone to let go of pressure and expectations, giving children a choice – and a chance – to enjoy reading. The children may dress up as their favourite character from a book or bring in a prop to talk about. We are hugely excited about the range of activities that we will be taking part in; from a live event with an author to reading with our reading buddies!

OPEN MORNING

School Values: Make a Difference Be Passionate about Learning Be Kind Be Respectful
