HOW THE MONEY'S BEEN SPENT SO FAR

Each classroom has been provided with an interactive globe to enrich the children's geography learning. They have loved using them to find out facts about different countries.

The forest school area is used each week by the children during their 'We are adventurers' sessions. The willow tree tunnel with nature fact boards, bug hotels and tree stump seating provides a lovely setting for outdoor learning. The allotment is now ready to use, with lots of bulbs planted and waiting to bloom throughout the year.

We have also bought lots of new books for the library that the children can enjoy and that will support the curriculum.

We have paid for the Christmas pantomime and Christmas present books.

We funded zones of regulation 'colour monster' toys for sensory activities.

School has ordered some friendship benches which will be a lovely addition to the playgrounds.

We will also be funding new outdoor play equipment for both the infant and junior departments as well as a fun team building day for all the children!

♥ Theme is LOVE ♥

FRIDAY 09 FEBRUARY
9.00-10.00
JUNIOR HALL

Please bring your donations (homemade or shop bought, NO nuts) to the Junior hall in the morning clearly labelled with your child's name and class. We will enter all names in a raffle to win a £20 voucher.

We'd like to invite everyone to stay and enjoy the delicious cakes and a hot drink. Anything left will be sold at the Junior playground after school so you can pick up a treat for the kids too.

All proceeds will go towards enriching our children's education. Thanks for your support!
